Integrated Systems Events, producers of Integrated Systems Europe, announces a pair of additions to its Board of Directors-- Stefanie Corinth from NEC and Piet Candeel from Barco.

Stefanie Corinth is senior VP, marketing and business development at NEC Display Solutions Europe, while Piet Candeel is senior VP EMEA, Barco. The two join the board as of 1 July 2017, and replace outgoing board members Wolfgang Lenz from Comm-Tech and Ollie French from Future Automation.

Corinth has 20 years of experience in leading marketing, sales and business development teams across EMEA. Candeel has extensive expertise operating across EMEA, in a 19-year Barco career that includes senior positions in marketing and sales management.

- The ISE Board of Directors comprises 9 members:
- David Labuskes, executive director and CEO, InfoComm International (ISE chair)
- Tabatha O'Connor, acting president/CEO, CEDIA (ISE secretary treasurer)
- Terry Friesenborg, chief global officer, InfoComm International
- Wendy Griffiths, vice president global development, CEDIA EMEA
- Dennis Erskine, president, Erskine Group
- Tony Warner, president, Phase Shift Consulting LLC
- Tobias Lang, CEO, LANG AG
- Stefanie Corinth, senior VP marketing and business development NEC Display Solutions Europe
- Piet Candeel, senior VP EMEA, BARCO

ISE the exhibition is produced annually by ISE the organisation. The event is jointly owned by InfoComm International and CEDIA. ISE 2018 takes place at the Amsterdam RAI on 6-9 February 2018.
